Dear Dr Äärimaa,

Thank you for your letter of 4th October 2001, addressed to Ms Fontaine, President of the European Parliament, concerning your proposal relating to the prudent use of anti-microbial agents in human medicine.

I am sending to you the resolution on this matter adopted by the European parliament last week.

Your documentation has been brought to the attention of the Members of the Committee on the Environment, Public Health and Consumer Policy, and in particular to Mr Rod, our rapporteur on this matter.

Yours sincerely,

Caroline JACKSON
